June 2, 2021

Dear Parents,

Welcome to the 2021-2022 school year at Community Christian Preschool! We are honored that you have chosen our school for your child and look forward to the school year!

The school year will officially begin with our orientation night(s) on September 1st and 2nd, 2021. The dates and times of orientation are listed below (OVER). Parents are encouraged to come and learn more about the school and meet the teachers & assistants. Your child is welcome to come with you, as this will be a great meet-&-greet opportunity. Due to space constraints *AND* the likelihood of COVID precautions, we are asking that **ONE adult and ONE child** attend the orientation. We are breaking the orientation into two different days, so please see the schedule to find your child's orientation time.

At orientation, you will receive your staggered entry list (which day your child will start), your child's folder, and all paperwork to start the year. You will also receive information on how to join the classroom messaging app called "Class Dojo". If you cannot attend orientation, please call the office so you can make alternative arrangements to pick up your child's paperwork and other important information. In order for your child to start school, all required paperwork -including up-to-date immunization records and emergency forms- **MUST** be turned in **NO LATER THAN Monday, August 2nd**. Should you have any questions or concerns, please call the office and I will be happy to help!

Please be sure to visit our website www.ccpspasadena.org or our Facebook page (/PasadenaCCPS) for current information. You can find an updated 2021-2022 school calendar on the website, as well as the Parent Handbook and other information.

The school also uses a text messaging service to send timely information to parents and staff. Please make sure we have the correct cell phone number on file so that you can receive these messages. If you are not receiving text messages from CCPS, please notify us so we can get you added to the system.

The teachers and I look forward to meeting you and having a wonderful and safe 2021-2022 school year. Thank you for giving us the opportunity to be a part of your child's life.

God Bless,

Donna Contarino
Director of Early Childhood Program
